INTERGROUP
UNITY NEWSLETTER

July 2018
Volume 42, Issue 7

Seventh Step:

Humbly asked God to remove our shortcomings.

Seventh Tradition:

Every AA group ought to be fully self-supporting, declining outside contributions.

Seventh Concept:

The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purpose for final effectiveness.

Seventh Step Prayer:

"My Creator, I am now willing that you should have all of me, good and bad. I pray that you now remove from me every single defect of character which stands in the way of my usefulness to you and my fellows. Grant me strength, as I go out from here, to do Your bidding."

Practice These Principles....

Tradition Seven Checklist:

1. Honestly now, do I do all I can to help AA (my group, my central office, my GSO) remain self-supporting? Could I put a little more into the basket on behalf of the new guy who can't afford it yet? How generous was I when tanked in a barroom?
2. Should the Grapevine sell advertising space to book publishers and drug companies, so it could make a big profit and become a bigger magazine, in full color, at a cheaper price per copy?
3. If GSO runs short of funds some year, wouldn't it be okay to let the government subsidize AA groups in hospitals and prisons?
4. Is it more important to get a big AA collection from a few people, or a smaller collection in which more members participate?
5. Is a group treasurer's report unimportant AA business? How does the treasurer feel about it?
6. How important in my recovery is the feeling of self-respect, rather than the feeling of always being under obligation for charity received?

MOBILE INTERGROUP

Great Smoky Mountain Recovery Campout

September 15, 2018

Greenbriar Campground Gatlinburg, TN

Is there an AA-related event you would like Intergroup to attend? If so, please contact us:

865-522-9667 or manager@etiaa.org

The MOBILE Intergroup is in need of 2 tablets. We need something that can download the Square and Paypal apps and has Bluetooth and Wi-Fi capabilities. Do you have one getting dusty in your attic or garage that needs a loving home?

How can groups participate?

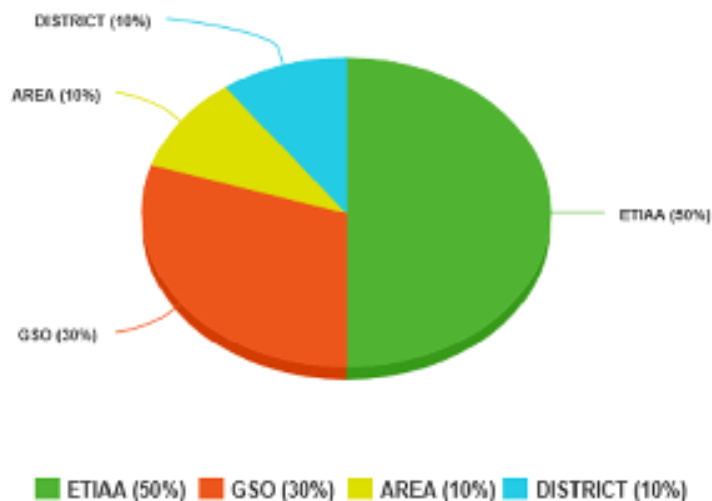

To help support AA's essential services, the General Service Conference suggests that individual groups, through an informed group conscience, adopt a specific contribution plan tailored to meet the group's financial situation. Once the basic group expenses have been taken care of (for example, rent, refreshments, AA literature, Grapevine literature, local meeting lists, GSR travel expenses to attend service functions) and a "prudent reserve" has been set aside to cover any emergency contingencies that might arise, the group may decide to further carry the message by sending money to the following AA service entities.

- The local district, which communicates directly with the groups, providing the district group conscience for the area assemblies and serving as a link between the area delegates and the GSRs.
- The area committee, which coordinates vital AA activities over a broad geographic area, sends a delegate to the annual General Service Conference, holds area assemblies to determine the needs of the Fellowship, and provides information at all levels of service.
- The local intergroup or central office, which may provide phone service for Twelfth Step calls and other inquiries, coordination of group activities, AA literature sales, institutions work, public information, and cooperation with the professional community activities.
- AA's General Service Office, which functions as a storehouse of AA information, communicating with members and groups around the world, publishes AA literature, and supplies information and experience to professionals and others interested in AA.
