## Intergroup Office News

**Our Office Manager will be attending** the ICOAA (Intergroups/Central Offices of Alcoholics Anonymous) Seminar Oct 12-15<sup>th</sup> in Cincinnati, OH. It's a wonderful opportunity to collaborate with other office Managers, learn new ways to better serve the AA community and further unify our fellowship through information sharing! Some of the topics are what we sell, best vendors, markup, attracting IGR's, Meeting Directories and Archives. There will be a report on information learned in the next newsletter!

**We talked with Rick C.** from the Phoenix Group. He has been sober since Feb 8, 1988. He chairs the Group Conscience meetings at his home group. Rick has found being a service worker in the Intergroup office rewarding after retirement. "When I answer the phone at the office, I can also offer some comfort to the family members of alcoholics who are hurting. If they seem open, I encourage them to look into Al-Anon."

Rick's first experience with service was chairing meetings. "Even though I had spoken in front of groups many times before during my career, I found that I was very nervous chairing meetings at first. Sharing about myself felt so real life, not merely academic."

"It's rewarding when someone tells you years later that something you said made an impact. Helping others is also insurance for myself."

"At around 10 years sober, I was at a party, playing penny poker. My wife brought over a plate of *hors d'oeuvres*, and I popped one into my mouth. In an instant, I started calculating how many I would need to eat to get a buzz. I mentioned that to my wife, and she did a little investigating. It turned out that they had indeed been prepared with alcohol. If I had any reservations before, I knew for sure that I could never have a drink again if that's how I reacted!"

Is your group celebrating Birthdays/Anniversaries? Are you? Do you have AA-related questions or myths that East Tennessee Intergroup of Alcoholics Anonymous (ETIAA) can answer for you? ## **Step Ten: Continued to take personal inventory and when we were wrong promptly admitted it.**

AS we work the first nine Steps, we prepare ourselves for the adventure of a new life. But when we approach Step Ten we commence to put our A.A. way of living to practical use, day by day, in fair weather or foul. Then comes the acid test: can we stay sober, keep in emotional balance, and live to good purpose under all conditions?

A continuous look at our assets and liabilities, and a real desire to learn and grow by this means, are necessities for us. We alcoholics have learned this the hard way. More experienced people, of course, in all times and places have practiced unsparing self-survey and criticism. For the wise have always known that no one can make much of his life until self-searching becomes a regular habit, until he is able to admit and accept what he finds, and until he patiently and persistently tries to correct what is wrong.

### **Tenth Step Prayer**

Dear God, I pray I may continue to grow in understanding and effectiveness; to take daily spot check inventories of myself; to correct mistakes when I make them; to take responsibility for my actions; to be ever aware of my negative and self-defeating attitudes and behaviors; to keep my willfulness in check; to always remember I need Your help; to keep love and tolerance of others as my code; and to continue in daily prayer how I can best serve You.

### **Tradition Ten (long form):**

No A.A. group or member should ever, in such a way as to implicate A.A., express any opinion on outside controversial issues—particularly those of politics, alcohol reform, or sectarian religion. The Alcoholics Anonymous groups oppose no one. Concerning such matters they can express no views whatsoever.

### **Tradition Ten Checklist:**

1. Do I still try to boss things in AA?
2. Do I resist formal aspects of AA because I fear them as authoritative?
3. Am I mature enough to understand and use all elements of the AA program—even if no one makes me do so—with a sense of personal responsibility?
4. Do I exercise patience and humility in any AA job I take?
5. Am I aware of all those to whom I am responsible in any AA job?
6. Why doesn't every AA group need a constitution and bylaws?
7. Have I learned to step out of an AA job gracefully—and profit thereby—when the time comes?
8. What has rotation to do with anonymity? With humility?

## How can groups participate?

To help support AA's essential services, the General Service Conference suggests that individual groups, through an informed group conscience, adopt a specific contribution plan tailored to meet the group's financial situation. Once the basic group expenses have been taken care of (for example, rent, refreshments, AA literature, Grapevine literature, local meeting lists, GSR travel expenses to attend service functions) and a "prudent reserve" has been set aside to cover any emergency contingencies that might arise, the group may decide to further carry the message by sending money to the following AA service entities.

- The local district, which communicates directly with the groups, providing the district group conscience for the area assemblies and serving as a link between the area delegates and the GSRs.
- The area committee, which coordinates vital AA activities over a broad geographic area, sends a delegate to the annual General Service Conference, holds area assemblies to determine the needs of the Fellowship, and provides information at all levels of service.
- The local intergroup or central office, which may provide phone service for Twelfth Step calls and other inquiries, coordination of group activities, AA literature sales, institutions work, public information, and cooperation with the professional community activities.
- AA's General Service Office, which functions as a storehouse of AA information, communicating with members and groups around the world, publishes AA literature, and supplies information and experience to professionals and others interested in AA.

## **FOREWORD TO FIRST EDITION OF "ALCOHOLICS ANONYMOUS," 1939**

**WE, OF Alcoholics Anonymous**, are more than one hundred men and women who have recovered from a seemingly hopeless state of mind and body. To show other alcoholics precisely how we have recovered is the main purpose of this book. For them, we hope these pages will prove so convincing that no further authentication will be necessary. We think this account of our experiences will help everyone to better understand the alcoholic. Many do not comprehend that the alcoholic is a very sick person. And besides, we are sure that our way of living has its advantages for all.

It is important that we remain anonymous because we are too few, at present to handle the overwhelming number of personal appeals which may result from this publication. Being mostly business or professional folk, we could not well carry on our occupations in such an event. We would like it understood that our alcoholic work is an avocation.

When writing or speaking publicly about alcoholism, we urge each of our Fellowship to omit his personal name, designating himself instead as "a member of Alcoholics Anonymous."

Very earnestly we ask the press also, to observe this request, for otherwise we shall be greatly handicapped.

We are not an organization in the conventional sense of the word. There are no fees or dues whatsoever. The only requirement for membership is an honest desire to stop drinking. We are not allied with any particular faith, sect or denomination, nor do we oppose anyone. We simply wish to be helpful to those who are afflicted.

We shall be interested to hear from those who are getting results from this book, particularly from those who have commenced work with other alcoholics. We should like to be helpful to such cases.

Inquiry by scientific, medical, and religious societies will be welcomed.
