Big Book

FOREWORD TO FIRST EDITION

This is the Foreword as it appeared in the first printing of the first edition in 1939.

WE, OF Alcoholics Anonymous, are more than one hundred men and women who have recovered from a seemingly hopeless state of mind and body. To show other alcoholics precisely how we have recovered is the main purpose of this book. For them, we hope these pages will prove so convincing that no further authentication will be necessary. We think this account of our experiences will help everyone to better understand the alcoholic. Many do not comprehend that the alcoholic is a very sick person. And besides, we are sure that our way of living has its advantages for all.

It is important that we remain anonymous because we are too few, at present to handle the overwhelming number of personal appeals which may result from this publication. Being mostly business or professional folk, we could not well carry on our occupations in such an event. We would like it understood that our alcoholic work is an avocation.

When writing or speaking publicly about alcoholism, we urge each of our Fellowship to omit his personal name, designating himself instead as "a member of Alcoholics Anonymous."

Very earnestly we ask the press also, to observe this request, for otherwise we shall be greatly handicapped.

We are not an organization in the conventional sense of the word. There are no fees or dues whatsoever. The only requirement for membership is an honest desire to stop drinking. We are not allied with any particular faith, sect or denomination, nor do we oppose anyone. We simply wish to be helpful to those who are afflicted.

We shall be interested to hear from those who are getting results from this book, particularly from those who have commenced work with other alcoholics. We should like to be helpful to such cases.

Inquiry by scientific, medical, and religious societies will be welcomed.

ALCOHOLICS ANONYMOUS.

How can groups participate?

To help support AA's essential services, the General Service Conference suggests that individual groups, through an informed group conscience, adopt a specific contribution plan tailored to meet the group's financial situation. Once the basic group expenses have been taken care of (for example, rent, refreshments, AA literature, Grapevine literature, local meeting lists, GSR travel expenses to attend service functions) and a "prudent reserve" has been set aside to cover any emergency contingencies that might arise, the group may decide to further carry the message by sending money to the following AA service entities.

- The local district, which communicates directly with the groups, providing the district group conscience for the area assemblies and serving as a link between the area delegates and the GSRs.
- The area committee, which coordinates vital AA activities over a broad geographic area, sends a delegate to the annual General Service Conference, holds area assemblies to determine the needs of the Fellowship, and provides information at all levels of service.
- The local intergroup or central office, which may provide phone service for Twelfth Step calls and other inquiries, coordination of group activities, AA literature sales, institutions work, public information, and cooperation with the professional community activities.
- AA's General Service Office, which functions as a storehouse of AA information, communicating with members and groups around the world, publishes AA literature, and supplies information and experience to professionals and others interested in AA.
