Old Business:

Voting via email is not per our bylaws. Transparency is paramount. Votes need to be taken at the meeting where all groups have the opportunity to have their voice heard and vote counted. Hence the importance of the Intergroup Representative position among groups.

The Rush and Relax meeting was visited by District 3 DSM and a member of the Intergroup committee. It is held in the back of a dispensary. You have to walk through the store where cannabis products are sold. After much discussion it was motioned by Dave to remove the meeting from the meeting guide app. Bryan 2nd and the motion passed. The meeting founder and the owner of the establishment are invited to next to months meeting to state their case to be reinstated to the app.
